COMENIUS MEETING – LIEPAJA – 13 / 18 MAY 2009 "When the stone becomes the Jewell"

Third Visit of the COMENIUS TRAVELLING EXHIBITION

Third Visit of the COMENIUS TRAVELLING EXHIBITION

Description of the third visit of the Comenius Travelling Exhibition...

Where was the visit?

When took place?

How many students have participated?

The third visit of the Comenius Travelling Exhibition, for a group of three students and two professor of our Institute (I.I.E.K. "MOKUME" of THESSALONIKI), took place in Liepaja, Latvia, from the 13th to 18th of May 2009.

The delegation of our Institute had the possibility to be present to the inauguration of the exhibition the 15th of May.

Also, our delegation had the possibility to visit the Liepajas Makslas Vidusskola in Liepaja, the days of 15th and 16th of May 2009, having an interesting dialogue with students and professors about the programs of studies in jewellery and having an interesting exchanging of experiences.

Also, our delegation, guiding by professors and students of the Liepajas Makslas Vidusskola, had the opportunity to visit the area in Liepaja where was exhibiting amber and to get some rough and polished pieces in order to use them for the creation of jewels for the Comenius Travelling Exhibition of the years 2009-2010.

Our delegation, guiding by professors of the Liepajas Makslas Vidusskola, visited the Amber Museum in Palanga, Lithuania, the day of 17th of May 2009, having a very interesting experience about the properties of amber.
